

LIGHTSPEED RESPONSIVENESS

The MM730 retains the innovative spirit of Cooler Master while maintaining the familiar aesthetic of classic gaming mice. Each pro-grade feature is intended to give you lightspeed responsiveness in the blink of an eye: genuine PTFE feet for unrivaled glide, adjustable 16,000 DPI optical sensor, and optical micro switches for superior durability and input. All housed in a super-lightweight, revolutionary new ergonomic shell design that reduces the weight to 48g, the MM730 truly is less than the sum of its parts.
